June 26, 2000

Dear Sirs/Madams,

Per my conversation with Mr. Ramon O. Ramirez find herewith Amendment B to the above referenced patent application. Mr. Ramirez has assured us that this will trigger an action to locate our Patent Application which is still checked out to David Heisey, who is no longer with Department 3632. Currently, the whereabouts of our original Application and Amendment A are unknown.

Also enclosed is a check for a 3-month filing extension in the amount of 165.00. This is also per my conversation with Gwen Meyers in Department 3632, calculated at the Small Entity rate of \$55.00 per month. Also please note that we should be listed as a Small Entity, rather than as a corporation.

If there is any problem with this filing, please contact me immediately at (805) 499-9396, or page me at (805) 531-8785 (numeric pager).

Very Respectfully,

Edward W. Holland
